The City of Cologne
Cologne, with 1 million inhabitants, is a multicultural and dynamic city. Cologne is an important trade fair and business location e.g. with the European headquarters of Ford, the German headquarters of Deutsche Lufthansa AG and with a trade fair that has more than 2 million visitors p.a. Cologne, called the “City of Media”, is not only Germany’s number one TV city but also has more than 10,000 companies in the business of IT and telecommunication. Located in the center of Europe, Cologne is connected to more than 60 major cities in Europe by the biggest German low-cost air carrier, Germanwings.
Cologne is famous for its Gothic cathedral the “Kölner Dom”, the Romanesque churches and the multitude of Roman remains as well as for the great variety of museums, theatres and art exhibitions. Many parks (with beer gardens in the summer) and the promenade along the river bank invite to jog or cycle. „Kölsch“ is the famous beer brewed only in Cologne. It is served in all of the many bars and clubs of the city – and, of course, especially during Karneval, Cologne’s famous carnival season every February.
Cologne – Germany’s most livable city – come and enjoy!
