- Recess week = 3 October 2016 to 9 October 2016
- Exam week = 21 November 2016 to 4 December 2016

- Term 3B = 12 June 2017 to 16 July 2017

Exchange students are strongly encouraged to enroll for a maximum course load of 4 SMU credits per semester. On an exceptional basis, students may register for a course load of 5 SMU credits per semester, with a formal request from the home coordinator.

Each full-credit course at SMU carries a weightage of 1 credit. It consists of 3 contact hours per week over a period of 13 teaching weeks (i.e. 39 contact hours). A half-credit course has a total of 21 contact hours per term.

For each course, there will either be:
- One session of 3 hrs per week; or
- 2 sessions of 1 ½ hours each per week.

All full-credit courses run for one academic term. There are 15 weeks in each term, consisting of 13 weeks of seminars (39 hours of classes), one recess week and one examination week. Recess week is used by local students for group work and/or preparation for assignments. International Exchange Students will have to participate in group work as well.

Students are also expected to spend 6 -12 hours per week per course for self-study and class preparation.

All dates of exams are displayed in the course catalogue and are fixed. (Dates are set to take into account Seasonal/Religious holidays in Singapore and will not be changed to accommodate holidays from other countries)

Assessments can include but not limited to:
- **Class Participation**: Although some classes do not list attendance as a mandatory requirement, missing classes will affect your grades and the grades of group members.
- **Individual Project**: Reports, Homework, Essays, etc.
- **Group Project**: Students will be involved in group work with local SMU students and attendance may affect their performance. Some group work preparations may take place during the recess week. When enrolling for courses, international exchange students need to consider this.
- **Presentation (Individual/Group)**: SMU is a strong supporter of empowering students and encouraging them to be vocal in class. Most courses require either an individual presentation and/or a group presentation. As English is the main language of instruction in SMU, students need to be able to converse confidently and clearly.
- **Mid-term test**: Some courses may include a Mid-term test. Usually stated in the course outline. It will be conducted during week 7 or 9.
- **Final examination**: Not all courses have a final examination. Please refer to the course catalogue and course outline for details.

Example:
- (a) Class participation: 20%
- (b) Individual project: 15%
- (c) Group project: 10% presentation, 25% report
- (d) Final examination (two hours, closed book): 30%

To assist students with their planning, the previous year’s term course list (Fall 2015/16) is provided at [https://www.dropbox.com/s/s3lauemosyfd2xb/FALL%202015-16%20Final%20Course%20List_for%20exchange%20students.xlsx?dl=0](https://www.dropbox.com/s/s3lauemosyfd2xb/FALL%202015-16%20Final%20Course%20List_for%20exchange%20students.xlsx?dl=0)

**Prerequisites**

Some courses require students to fulfil prerequisites before reading. The prerequisites are listed in the online course catalogue.

If students have done similar prerequisites in their home university, they should check with the SMU course instructors if they will accept these prerequisites.

Prerequisites may be checked by the SMU course instructors during the first week of the term. Students should prepare a course outline (in English) of the courses they have taken that meet the prerequisite for the SMU course instructor’s review.

Students may contact the course instructors to enquire if they fulfil the prerequisites. A list of the instructors is available via the [Faculty Directory](http://info.smu.edu.sg) at the SMU website.

You are expected to attend all classes. In all courses, the instructor will determine the acceptable level of attendance. If, in the opinion of the instructor, you have been absent excessively, you may be given a grade of “F”. If you receive a grade of “F” for absences during the term, you will be excluded immediately from the course. You should also bear in mind that class participation is an important aspect of the University’s assessment system.

To actively participate in classes, physical presence is required (unless stated by the course instructor). Missing a class means forfeiting opportunities to contribute to discussions and activities. As a result, every missed session, with the exception of an “Excused Absence”, erodes the class participation grade.

If you are skipping classes because of a medical condition or feeling unwell, you are required to present a medical certificate (MC) from a certified medical clinic/hospital to the instructor. If you are skipping classes for an extended period (for example 2 weeks or longer), and attempts by the instructor/school/Office of Global Learning to contact you (eg. via official email, phone) are unsuccessful, you are liable to have your student registration status terminated. Accordingly, you will be withdrawn from the exchange programme.
Health and Accident Insurance

It is compulsory for all incoming exchange students to purchase the *Student Personal Accident Policy* and *Medical Insurance* as recommended by SMU. Cost for this insurance is included as part of the miscellaneous fees.

Insurance details can be found via the following link:  

Please consult your insurance agent in your home country for additional insurance coverage.

Welcome Orientation

Orientation session for International Exchange students is scheduled on the week of **10 – 12 August 2016**. Exact date will be advised.

Orientation is compulsory. Only students with valid reasons surfaced to us by the partner university’s coordinator may be excused from this orientation. Students who are absent from the orientation without a valid reason, will not receive assistance on matters covered during the orientation.

**Latest arrival date: 10 August 2016**

*Early arrival is a must for student pass processing and collection of the SMU student card.*

It is a university policy for students to attend classes when term starts. Late arrivals are NOT accepted.

Students are advised to arrive one week prior to orientation date to facilitate the application of the Student’s Pass at Immigration and Checkpoints Authority (ICA). There will be a huge processing delay at ICA during the peak period (may take more than three days) as there will be a large number of foreign students coming to Singapore during the start of a new term. The Student’s Pass will be required for signing any housing agreements, purchase of SIM card etc.

Students may only collect the SMU student card upon presentation of the Student’s Pass. For students who arrive after the orientation, please take note of the following regarding courses:

- No special arrangements will be made to register for courses
- No further assistance will be given by the Office of Global Learning
- If courses are fully taken up, no extra seats will be made available
- No special assistance will be given on *BOSS* bidding as this will be covered during orientation

More details will be included in the Acceptance Information Package.

The SMU Office of Global Learning will apply the student’s pass on their behalf before your arrival. Please refer to the Singapore Immigration and Checkpoints Authority’s website (http://www.ica.gov.sg/) for more information about visas and immigration matters.

Hostels
One of the advantages of staying at a student hostel is that you will be around other exchange students. Staying at a hostel is also usually cheaper. There are a few student hostels in the vicinity of SMU.

Yo:Ha@Pearl’s Hill - http://yoha.com.sg

SMU has leased several apartments from a private hostel operator at a complex called Yo:Ha@Pearl’s Hill. More information on Yo:Ha@Pearl’s Hill can be found here. Please read carefully the terms and conditions of your agreement with the proprietor. You may find that there is no refund if you choose to vacate earlier. If you have any issues with the facility, you will need to address this with the proprietor.

Private accommodation
You may choose to engage a property agent to assist you with finding suitable short-term accommodation in a private apartment that you share with several other exchange students. Before signing the lease agreement, be sure that you are clear about any additional fees such as the agent’s commission, security deposit, stamp duty, air-condition maintenance. You will also need to provide a copy of your passport and student pass to the landlord.

If you have questions about your position as a tenant or have concerns about your property agent, you may refer to the Council for Estate Agents’ website at www.cea.gov.sg.

The information provided serves only as a guide. SMU does not endorse or recommend any of the accommodation options and any agreement made is between the tenant and proprietor.

Location and campus facilities
The SMU campus is situated at the heart of the central business district and the arts and heritage precincts. The campus is easily accessible via public transportation, and there is a wide variety of food outlets, shopping and entertainment centres conveniently located around campus.

SMU is well-equipped with various facilities – campus-wide WIFI connection, state-of-the-art learning facilities and resources, library, swimming pool, fitness gym etc.

Distance to city from airport
By bus or train = 45 minutes
By taxi = 25 minutes

Student diversity
Percentage of full-time international students = About 20%
Percentage of exchange students = About 12%

Internships and working part-time
Internships and career services offered by SMU Dato’ Kho Hui Meng Career Centre (eg. career talks) are NOT open to exchange students.
