VISITING STUDENT STATUS

Visiting Student is a non-degree status for students who are in the process of completing an MBA degree from an institution outside the Twin Cities, but who are no longer within commuting distance of their home school and wish to take coursework at the University of Minnesota to complete their degrees. To be eligible to apply for this status at the Carlson School, the original institution/program must be AACSB Accredited.

Admission to Visiting Student status is based on high academic performance in the student’s current MBA program. Students admitted to Visiting Student status are permitted to register in the Part-Time MBA Program for up to two years. Registration is on a space available basis only; priority for classes is given to current Carlson School Part-Time MBA students. Students in the Visiting Student status are subject to current Part-Time MBA tuition and fees.

The MBA Programs office will notify you of an admission decision approximately four to six weeks after receiving your complete application. You will be notified of class availability two weeks prior to the start of the semester.
