| Buddy | There is a Buddy Program at Tsinghua SEM to promote intercultural understanding |

清华大学经济管理学院

School of Economics and Management, Tsinghua University

| | |
|---------------------|--|
| Program | and friendship between local students and international students with diverse background. Every incoming exchange student will be appointed with a local student. The contact information will be noticed after admission via email. |
| Internship | The Career Development Center (CDC) is a functional office of our school. Incoming exchange students can find some open recruiting information on the website of CDC https://cdc.sem.tsinghua.edu.cn/ecdc/ . Please pay attention that the CDC does not provide personal career services to incoming exchange students. |
| Printing services | Inside Tsinghua SEM, there is a copy center where exchange students can print assignments or project reports by taking a USB disk or saving the files in SEM email system. |
| Library card | <p>Tsinghua University boasts top-class library in China. Tsinghua SEM also has its own library and mainly focuses on Economics and Management. Every exchange student can enter Tsinghua Libraries and borrow books by using their student campus card. Guided library English tour is available for incoming exchange students, tour detail will be released on library website homepage. Please check our library homepage for more detail information: (Tsinghua University Library).</p> <p>Students have to pay 1,000 RMB as deposit and administrative fee for 10 RMB per month.</p> |
| Student association | At Tsinghua SEM, student organizations are in integral part of the education experience. Each year students who join student association have an opportunity to play a leadership role, develop new skills, and take on challenges within a supportive environment. There are two formal student associations in our school. The Student Union is the formal one for undergraduate student. The MBA Student Association is the formal one for MBA student. The mission of student associations is to strengthen the communication between domestic and international students. It also serves a communicative link among students, faculty, the school and various enterprises. |
| Student Clubs | <p>The clubs at Tsinghua University and Tsinghua SEM are as varied and diverse as its students. They range from social and professional to recreational and cultural. About two weeks after each semester starts, there will be an exhibition of all the students' associations and societies calling for new members. Incoming exchange students could choose to join some students clubs during that period according to your interests.</p> <p>If you cannot find an organization that meets your current interests, you have the ability to form and officially register your own clubs. Student clubs are constantly emerging as students and interests change; typically there are over 20 active clubs each year at Tsinghua SEM. You can find more information about student clubs and student life from your SEM buddy and our SEM student union.</p> |
