CBS SHORT FACTS

Copenhagen Business School (CBS) is Denmark’s largest educational and research institution within business administration and economics in a wide sense. CBS has 20,000 full-time and part-time business students.

CBS holds the prestigious “triple-crown” accreditation: AACSB, EQUIS and AMBA. Furthermore, CBS is a member of the CEMS alliance and PIM network.

The university is committed to providing business-related education programmes and continuing education for the public and, in particular, the private sector.

Programmes are based on a strong and internationally renowned research base which CBS works consistently to strengthen. CBS has a Center of Excellence, funded by the Danish National Research Foundation, and has received five European Research Council Grants.

CBS is committed to communicating knowledge and new ideas to tomorrow’s business leaders and society in general. Its main contribution in this field is research and research-based education, and investment in research and high academic standards is therefore crucial to CBS’ contribution to society.

USEFUL LINKS

CAMPUS

CBS has an urban campus in Frederiksberg, an integrated part of Copenhagen. The four Metro stops on campus makes for easy access to downtown Copenhagen as well as the airport. Our contemporary campus buildings offer state-of-the-art student facilities.

CBS has taken significant steps to operationalize sustainability in research and teaching. Campus Services is working toward the UN Sustainable Development Goals (SDGs).
Each year, approximately 1,200 exchange students from our partners around the world, as well as freelancers from non-partner universities, find their way to CBS. Exchange students can choose to attend for either the fall semester, spring semester, or for a full academic year.

COURSES
All courses available for exchange students are part of the regular CBS English programs course offering. Swedish and Norwegian speaking students can take courses taught in Danish by special request.

The fall semester courses are published in mid-March and the spring semester courses are published in mid-September.

- **Undergraduate courses** (Bachelor level): [cbs.dk/undergrad](http://cbs.dk/undergrad)

DANISH LANGUAGE COURSES
During the semester a credit-bearing Danish language course is offered. Students can take the Danish course on top of their 30 ECTS.
A [Danish Crash Course](http://Danish Crash Course) is offered the week prior to the Introduction Week
