WEATHER
The city of São Paulo is home to a subtropical climate which is typical of Brazil. Influenced by its coastal setting alongside the Atlantic Ocean, it offers a sunny weather through the year but is prone to quick temperature changes; one single day may be warm and cold. In April, the average temperature is 22°C. In July the temperature is around 10°C which is considered cold to Brazilians. In December the temperature is 38°C hot and humid.

Currency Exchange
Currency fluctuations are frequent. Exchange rate has been around US$1 = R$3,35 and EU$1 = R$3,75. Please check updated rates before leaving your country.
