- Juror for 2021 POMS College of Sustainable Operations Student Paper Competition

- Panel Member for POMS Doctoral Consortium 2021, “The Job Market Experience – The Hired Perspective”
- Session organizer for INFORMS 2019 Annual Conference, M&SOM Sustainable Operations SIG Track
- Session co-organizer for Production and Operations Management 2019 Annual Conference, Retail Operations Track
- Juror for Decision Sciences Institute 2018 Conference Best Paper Award competition
- Session organizer for Production and Operations Management 2018 Annual Conference, Marketing and Operations Management Interface Track
- Session organizer for Production and Operations Management 2017 Annual Conference, Marketing and Operations Management Interface Track
- Session organizer for Production and Operations Management 2015 Annual Conference, Closed-Loop Supply Chain Track
- Panel Member for Production and Operations Management 2015 Annual Conference, Managing Consumer Returns
- Ad-hoc reviewer for Management Science Journal
- Ad-hoc reviewer for Manufacturing & Service Operations Management Journal
- Ad-hoc reviewer for Production and Operations Management Journal

PROFESSIONAL MEMBERSHIP

- The Institute for Operations Research and the Management Science (INFORMS)
- Production and Operations Management Society (POMS)
- Consortium for Operational Excellence in Retailing (COER), by Harvard Business School and The Wharton School initiation to facilitate partnership between academics and retail practitioners

PROFESSIONAL EXPERIENCE

- *Zale Corporation* – Dallas, TX, Intern, May-August 2012
 - Managed a research project that aimed to identify best retail practices to reduce consumer returns
 - The project involved 100 retail stores
- *Turkish Naval Research Center (TNRC)* – Istanbul, Turkey, Senior Project Manager, 2008-2011
 - Managed a project to design and develop a Naval Electronic Warfare Support System
 - The project involved six research engineers and five technical personnel
 - Procured commercial off-the-shelf products, developed hardware/software, and conducted several field tests in the scope of the project.
- *NATO Research Task Group (SCI-221)* – Bruxelles, Belgium, Research Engineer, 2010-2011
 - Served in a research group that aims to identify threat radars for NATO countries
 - The research group involved seven participating countries
 - Organized and conducted a field trial in Antalya/Turkey with participating countries
- *Turkish Navy, Golcuk, Turkey, Navy Officer, 2003-2006*
 - Served as a communication officer on Turkish frigates TCG Barbaros and TCG Kemalreis
