

MS in Supply Chain Management Program

GMAT/GRE Waiver Policy

Applicants to MS in Supply Chain Management (MS SCM) program at the Carlson School of Management are required to supply GMAT/GRE scores as part of their application package. Under certain circumstances, an applicant may petition to waive the GMAT /GRE requirement. Specifically, a waiver of the GMAT /GRE exam may be considered if the applicant has:

- A minimum of three years of full-time work experience in supply chain management or related field. Internships will not be considered as part of the work experience requirement.
- A demonstrated history of professional excellence.
- A minimum undergraduate GPA of 3.0.

Waivers are never guaranteed and they are evaluated on a case by case basis. The decision to grant a GMAT/GRE waiver rests with the Carlson School's MS SCM program.

The waiver request forms should be emailed to msscm@umn.edu. You will be notified of eligibility by email within 10 business days following receipt of the waiver form.
