**BIOGRAPHY:** Thad Davis joined HSBC in 2017 and is responsible for all aspects of the U.S. healthcare coverage effort including staffing, transaction management and relationship oversight for 100+ companies and 40+ private equity investors. Thad has specialized in healthcare for over two decades as both an operator and investor. His experience encompasses all healthcare sub-sectors including pharmaceuticals, devices, life sciences, services, technology and real estate. As an investor, Thad has evaluated over 350 potential investments and has executed on over 100 of those opportunities since 2010. As an operator, Thad has led process, technology and strategy initiatives across both clinical and operational functions. Thad holds a Bachelor of Science in Management from Purdue University and an MBA from the University of Chicago Booth School of Business. Thad is on the executive committee of the board of directors at the New York Common Pantry.

**ABOUT THE MILI LECTURE SERIES:** The MILI Lecture Series started in Fall 2018 and focuses on timely medical industry topics. The Medical Industry Leadership Institute brings in both industry and academic professionals to the Carlson School of Management to further important cross-industry conversations.
